#### Thursday, June 4 | Glacier Bay National Park

Today you'll cruise through Glacier Bay National Park, the glaciers practically terminate in your lap. When a chunk of ice splits off a glacier and thunders into the sea the impact shoots water hundreds of feet into the air. Glacier Bay has more actively calving tidewater glaciers than anyplace else in the world. There will be commentary throughout the day along with park rangers on-board to answer questions and give information about this beautiful place.

#### Friday, June 5 | College Fjord Scenic Cruising

Discovered in the northwest corner of Prince William Sound during an 1899 research expedition, spectacular College Fjord and its glaciers were named after prestigious east coast schools by the college professors who first laid eyes upon their majesty. College Fjord not only boasts the world's largest collection of tidewater glaciers, but it features magnificent snowcapped mountains as far as the eyes can see. Plus, during the summer, it's not unheard of to catch a glimpse of one of the area's 40-ton humpback whales feeding in the waters of the fjord.

#### Saturday, June 6 | Whittier and Anchorage

You will disembark the ship in Whittier, a remote village is nestled along breathtaking Prince William Sound, home to a stunning array of wildlife, including bald eagles, sea otters and killer whales. Your luxury motor-coach will be waiting for us to continue on. You'll travel the Seward Highway to Anchorage. A stop will be made in Girdwood, at the Alyeska Aerial Tramway where you will ride to the 2,300 foot level of Mount Alyeska. Take in panoramic views from the top of surrounding glaciers, Turnagain Arm and the Chugach Mountains. Once you reach the top you can explore the area and have lunch on your own at the deli. Afterwards, we'll continue to Anchorage, the largest city in Alaska. We'll show you around the downtown area before dropping you off and giving you time to explore and have dinner.

*HOTEL: Wingate by Wyndham Anchorage*

#### Sunday, June 7 | Heading Home

After a relaxing morning at the hotel, it's time to depart for the airport and your flight home arriving back in Minnesota in the evening with great memories of a fantastic cruise.....Or Will You???

#### OPTIONAL EXTENSION: JOURNEY TO FAIRBANKS!

#### Sunday, June 7 | Heading Northward

If you decide to continue on, your group will drive northward to Wasilla where you will arrive at the Iditarod Headquarters, home of the famous sled dog race! Experience an included sled dog cart ride...complete with sled dogs! A fun event with joyously yapping dogs. You will then depart for the quaint village of Talkeetna

which is nestled at the base of North America's tallest peak, Denali. There you will have some time to enjoy lunch on your own and enjoy this quintessentially Alaskan town which the TV show Northern Exposure was based upon. Talkeetna is the closest viewing point to see Denali/Mt. McKinley. Hopefully, it will be a clear day so you can get a spectacular view! Your group will then continue on to the Denali Visitor Entrance, your home for two nights. After getting settled in your room, you'll head out for some fun at the Alaska Cabin Nite Dinner Theater. The show tells the story of Fanny Quigley, a real pioneer in Kantishna back in the gold-rush days of the early 1900s—the same area that is now deep inside Denali National Park. The story is performed in an authentic, log-paneled roadhouse, and the actors and actresses do double-duty as your servers for the all-you-can-eat dinner.

**INCLUDED: Dinner**

*HOTEL: Princess Mount McKinley*

#### Monday, June 8 | Into The Wilderness

Today will be spent aboard a special bus for the Tundra Wilderness Tour of Denali National Park. You'll see incredible scenery, learn the history of the park and have some of the best opportunities to view the park's wildlife on this 5-6 hour tour. Keep an eye out for Dall sheep, moose, caribou, wolves and grizzly bears. We'll also hope that you can become part of the 30% club' and get to see "the great one" aka Mount Denali as only 30% of visitors to this area ever get to see it at all because of the almost constant cloud cover. Afterwards, the evening is at your leisure to relax at the hotel or explore the town to find a place to enjoy dinner on your own.

**INCLUDED: Breakfast**

#### Tuesday, June 9 | River Rafting in Denali National Park & The North Pole

Today's adventure is one you will never forget! "Mildwater" River Rafting down the Nenana River. You may see moose, sheep, caribou and bear, as you raft downstream 11 miles. Hold on and enjoy this mild water introduction to rafting in Alaska. The most scenic portion of the river gives you a thrilling yet pleasant rafting experience. Afterwards, enjoy lunch on your own in the

area. Then continue northward to the North Pole at the Santa Claus House. This sprawling store holds endless aisles of Christmas ornaments and toys, a live Santa to listen to your Christmas wishes, and walls covered with Dear Santa letters from children around the world. You will then leave for Fairbanks, just 15 minutes away to check in to your hotel for the next two nights. This evening join your fellow travelers for an included dinner in the hotel restaurant.

**INCLUDED: Breakfast/Dinner**

*HOTEL: Pikes Waterfront Lodge*

### **Wednesday, June 10 | Fairbanks**

Your Alaskan adventure continues this morning! After a short tour of Fairbanks, you'll stop at the Trans-Alaska oil pipeline. It was built as a means of transporting crude oil from the oil fields at Prudhoe Bay on Alaska's North Slope to Valdez. Then head out to Gold Dredge 8 to strike it rich! Take a seat aboard a replica of the narrow-gauge Tanana Valley Railroad and hear the conductor tell tales of prospectors who arrived by the thousands during the gold rush. The train ride takes you to Gold Dredge 8 where you will see first-hand how the dredge worked the gold fields, then receive a brief but informative course on gold panning. Once the train arrives at the camp, you will try panning for yourself! This afternoon you will have an included lunch before boarding the Riverboat Discovery to cruise along the Chena and Tanana Rivers. Experience a real Alaskan Bush Pilot in action as he takes off from the river; see the home and kennels of Iditarod Champion, the late Susan Butcher and see her champion sled dogs in action; learn about the area's Native cultures, lifestyles and experience frontier living first hand with a tour of an Athabascan Indian Village. You will then arrive back at the hotel where you will enjoy the rest of the evening at leisure. Maybe play a round of mini-golf, sit by the bonfire or just relax overlooking the river. But don't stay out too late. Tomorrow you leave for home!
