Slow your pace on a three day Fiji stopover vacation at the crossroads of the South Pacific! Still untouched by the outside world, island life has changed very little over the centuries amid this enticing archipelago. Relaxation is the rule on the pristine sands and warm waters of the beautiful paradise. Relax and enjoy the mouth watering foods, the wonderful local people and their culture at this amazing destination!

Day 1 | Arriving In Fiji

Arrive in the Nadi, Fiji Airport. As the rest of your group continues towards North America, you will exit security, go through customs, and head to pick up your luggage. There you will be greeted with a warm "Bula!!" (Hello) and receive a Lei Greeting! You will then board your waiting coach to head to your luxury (and we mean LUXURY) resort right on the water just a 15 minute drive from the airport. Upon check-in the rest of the day is yours to enjoy on your own.
