June 1-10, 2023

Welcome to the Majestic Princess! Enjoy lunch on the ship and then have some time to explore this magnificent ship! Meet the group outside the main dining room for dinner. **Breakfast/Lunch/Dinner**

## **DAY 4 | Hubbard Glacier**

Hubbard Glacier is 76 miles long, 7 miles wide & 350 feet above the water line where it meets the bay. Watch as massive chunks of ice crash into the bay, a process known as calving that the Tlingit people call "White Thunder." Experience the excitement of seeing this active, translucent blue glacier up close. See the Hubbard Glacier in warmth through your ship's floor-to-ceiling windows or enjoy the view from the deck or your balcony room.

**Breakfast/Lunch/Dinner**

## **DAY 5 | Glacier Bay National Park**

Princess is one of just three cruise lines permitted to cruise the pristine waters of Glacier Bay, the highlight of your Southbound cruise. Just west of Juneau, this breathtaking national park and preserve boasts some of the world's most spectacular tidewater glaciers, such as Margerie Glacier, which often drops colossal chunks of ice into the sea. Not surprisingly, Glacier Bay National Park and its epic ice giants are part of a UNESCO World Heritage Site comprising Alaska's magnificent park system. During your scenic cruise, friendly Park Rangers will join the ship to share their knowledge of this amazing place and will be available to help you identify Glacier Bay's abundant wildlife, including humpback whales, sea otters, porpoises, harbor seals, black bears, mountain goats, bald eagles and large colonies of seabirds. Take in the awe-inspiring scenery as you enjoy an unforgettable day of sailing through this dazzling park, where you'll glide along emerald waters and past calving icebergs, and can breathe in the crisp, fresh air to your heart's content.

**Breakfast/Lunch/Dinner**

**Breakfast/Lunch/Dinner**

## **DAY 8 | Ketchikan, Alaska**
