

Pickleball On the High Seas! Cruising the Caribbean!

March 2-10, 2024

Play the fastest-growing sport in the U.S. with Holland America Line, the exclusive cruise line partner of the Professional Pickleball Association. All Holland America cruise ships feature pickleball courts with amazing top-deck views. The equipment and courts are available for a match anytime, so long as the weather allows. Frequent pickler? Join a pickleball tournament at sea and put your dink shot to the test. Hesitant amateur? Learn the basics at complimentary beginner's lessons. Don't like Pickleball at all? There's plenty of other things to keep you occupied on this fantastic cruise!

WHY PICKLEBALL? Holland America Line has been exclusively named as the Official Cruise Line of the Professional Pickleball Association (PPA) and is committed to expanding its pickleball experience at sea for guests. All ships in the Holland America Line fleet feature pickleball courts with amazing top-deck views with included PPA Tour partner logos. Complimentary beginner lessons will be offered by shipboard instructors who will teach guests the rules and basics of playing pickleball, including where the "kitchen" is and what it means to hit a "dink" shot. Along with shipboard activations, "How to Play Pickleball" tutorial videos will be featured on in-stateroom TV programming. Guests will be able to purchase branded pickleball starter kits in the shipboard retail shops starting in 2023.

"We like to say that travel unites us, but sports do that as well, and Holland America Line is proud to be the first and exclusive cruise line partner of the PPA. We're excited to offer our guests an elevated pickleball experience as they travel to spectacular and scenic cruise destinations," said Kacy Cole, vice president of marketing for Holland America Line. "Mirroring its rapid growth as the fastest growing sport in the U.S., pickleball is the most popular sport on our ships. It's wonderful to see guests bond over their shared love of the game — and the ever-changing scenery makes the perfect pickleball backdrop." Holland America Line shares a deeper connection with PPA beyond the game — pickleball was invented in 1965 on Bainbridge Island in Washington state, a short ferry ride from Seattle where Holland America Line is headquartered.

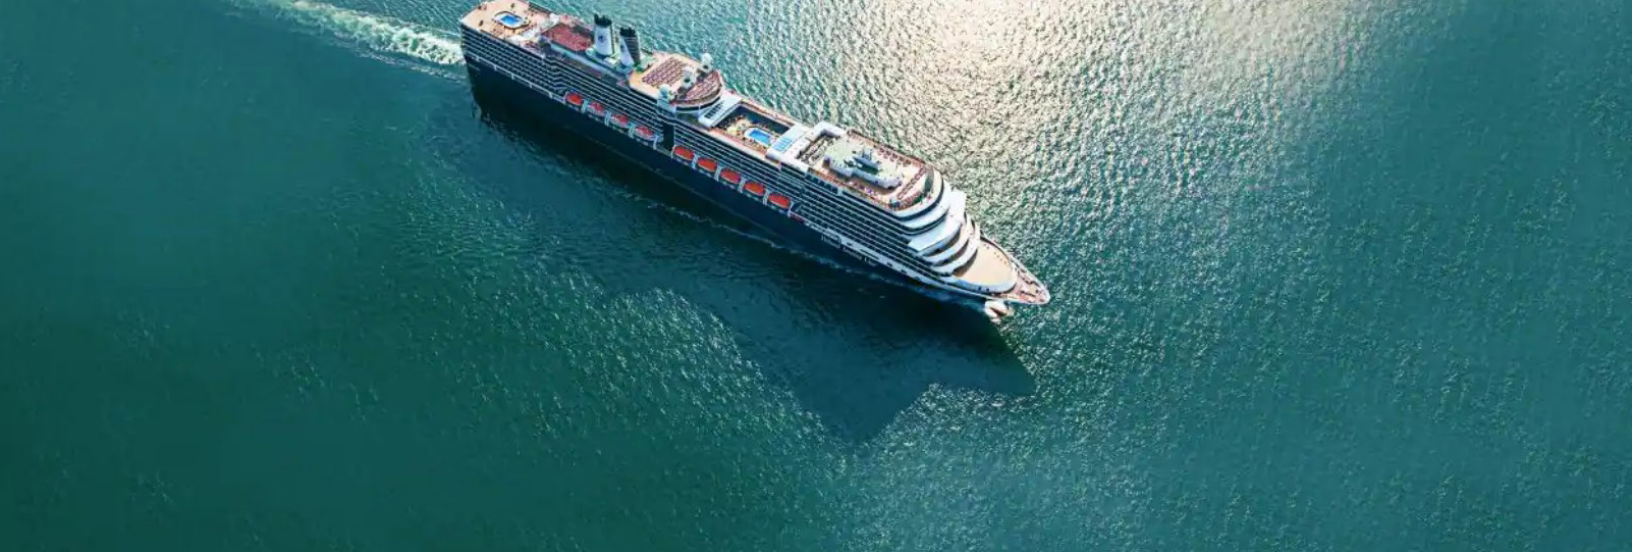

To play pickleball is to make new friends, from around the neighborhood or around the world. This ageless sport welcomes players young and old, fast, or slow. Now with pickleball on board ships with this wonderful partnership, cruisers and players have one more adventure to experience and take home with them." **JOIN US ON THIS AMAZING PICKLEBALL ADVENTURE!**

DAY ONE | LEAVING THE COLD BEHIND

Meet Dave and Jeanie at the Minneapolis MSP Airport for your departure for Fort Lauderdale, Florida. Upon arrival, a private coach will take you to your hotel right on the ocean. Relax by the pool or walk along the ocean. This evening, meet your group and head out to dinner on your own. In the hotel bar are real mermaids, so that is a fun place to visit! The group will make sure to enjoy a stop here! Enjoy your first evening away from the cold! **HOTEL: THE B HOTEL FORT LAUDERDALE**

DAY TWO | SAILING AWAY

Check out of your hotel and travel with the group to the Ft. Lauderdale Cruise Pier just down the road. After boarding enjoy your first included lunch. All meals from this point on (Breakfast, Lunch and Dinner) will be included on-board for the remainder of the cruise. Enjoy exploring the ship this afternoon and then meet

your group for dinner in the main dining room. This evening enjoy the optional entertainment throughout the ship!

DAY THREE | HALF MOON CAY, BAHAMAS

In a region renowned for tropical wonders, one island rises to the top—Half Moon Cay! Half Moon Cay is the highest-rated Bahamas private cruise island. It has won Porthole Cruise Magazine's Best Private Island award consecutively for 20 years. When you feel the sugar-white sand on your toes or kayak its crystal lagoon, you'll understand why cruise travelers love Half Moon Cay, a highlight Holland America's Caribbean Experience! Enjoy swimming in the beach or the private pool.....ah, paradise!!

DAY FOUR | SEA DAY

Today is yours to do as you please on-board ship. Maybe take a pickleball lesson or sign up for a tournament. Or, if you just want to play a foursome, Dave and Jeanie will take you on any time (oh, and we are not good at this so you will probably win)! We may set up our own little Jeanie's Journeys tournament for our days at sea. Stay tuned for more info! If pickleball is not your thing, enjoy a spa treatment, or lounging by the pool with a good book in hand. There is something for everyone on-board Holland America!

DAY FIVE | OCHO RIOS, JAMAICA

Ocho Rios is a word for meaning eight waterfalls, of which there are many—far more than eight here. Anyway, if you want to talk like a local, just call it Ochi. Visitors to Jamaica today are likely to think of reggae music which was born here. You will hear it everywhere! The area near Ochi has seen significant upgrades to its ports and roads in recent years, and getting around to check out this part of Jamaica is much easier than it was in the past. Nearby is one of the island's finest nature hikes among all the plants that provide the spices and fruits that go into making Jamaican cooking so outrageously delicious. Enjoy!

DAY SIX | GEORGETOWN, CAYMAN ISLANDS

Georgetown is the capital of the Cayman Islands. It lies in the west of the largest island, Grand Cayman. It's known as a financial hub and a port of call for cruise ships. Tax-free shops cluster around Cardinal Avenue. The Cayman Islands National Museum is housed in a 19th-century building on Harbour Drive and is worth a visit. It contains displays on local history, culture and wildlife. The Cayman Islands are known for their underwater beauty, so swimming or snorkeling here would be a fantastic idea!

DAY SEVEN | COZUMEL, MEXICO

Cozumel is a popular destination as it draws many scuba divers, snorkelers and seekers of sand and sun who are attracted by 2nd largest barrier reef in the world – the Palancar Reef. The island and its environs also offer all other manner of on-and-around-the-water attractions, many of which are quite unique, such as underwater sculpture gardens, a submarine excursion to see a shipwreck and a sailboat-racing experience

that's second only to the America's Cup. For visitors who are intrigued by Mexico's Maya culture, there are several archaeological sites in and around Cozumel, including San Gervasio, once a site where women made offerings to the goddess of fertility and childbirth. When you're done sightseeing on your visit to Cozumel, there's shopping for traditional Mexican crafts, jewelry, and leather goods, including custom-made sandals, and excellent food (the seafood, of course, is stellar).

DAY EIGHT | SEA DAY

Enjoy your final sea day with more pickleball, spa time and relaxing. There is a lovey craft room on-board and every day there is something new to make...kind of like going to camp when you were a kid! Tonight meet with your fellow travelers for a farewell dinner in the main dining room. Then it's time to pack up to go home tomorrow!

DAY NINE | ARRIVING IN FORT LAUDERDALE AND THE JOURNEY HOME

Enjoy one last breakfast before departing for the airport. Return home in the late afternoon with great memories and new friends!

DON'T FORGET YOUR PASSPORT OR YOUR ENHANCED DRIVERS LICENSE!
