

# Amazing Iceland

July 24-29, 2022

Join Jeanie's Journeys on an affordable tour to Iceland, Land of Fire & Ice! See the world's original Geysir, view Europe's largest waterfall, float in The Blue Lagoon, drive the back roads of the "real" Iceland!

## Day 1 | Leaving On A Jet Plane

Set out on a journey full of dramatic contrasts. Come to know Iceland; a place where steaming lava fields reflect a volcanic nature & massive glaciers sculpt mountains & valleys - leaving behind thundering waterfalls & plunging fjords! Meet at Terminal 2 Humphrey Airport for your 7:35 PM non-stop departure to Iceland on Iceland Air, the national airline of Iceland. When you step onto the plane, you feel like you are already there!

## Day 2 | Welcome To Iceland!

Arrive in the early morning into Iceland where you will check into your hotel for the next four nights. Then take a transfer bus to the capital city of Reykjavik. Enjoy a walking tour of the city's old section featuring the city hall, the harbor, the Parliament building & the nearby cathedral, dating from 1796. Then, get to know your fellow travelers during an Icelandic lunch at a popular local restaurant before checking into your hotel in the later afternoon.

## Day 3 | The Golden Circle & Friðheimar

After an included breakfast, venture out on an 8-hour Golden Circle tour. The most famous sight is a visit to the world-famous Geysir geothermal area with exploding geysers & pools of mud bubbles. You'll also visit the breathtaking Gullfoss, the queen of Iceland's waterfalls & the largest waterfall in Europe. Finally, but no less spectacular is a visit to the Þingvellir National Park, the original site of the world's oldest existing parliament. The Great Atlantic rift is clearly visible in the park, slowly pulling Iceland apart along tectonic plates. In addition, you will enjoy a visit to the Friðheimar Greenhouse for lessons in the Icelandic-style of tomato growing. They have fantastic tomato soup there for you to enjoy if you wish! You will then return to your hotel for the remainder of the evening to enjoy dinner on your own with the group at a lovely local restaurant.

The geothermal heated waters of this famous spa are renowned for their skin healing properties. Wispy plumes of steam rise off its milky-blue waters as mountains tower on the horizon, giving it a supernatural feeling as you replenish your body & soul. Enjoy an included half or a full day here as you may stay as long as you wish. Perhaps you would like to make use of their fantastic spa area & get a massage! There is a lovely restaurant there where you can enjoy lunch on your own. Return when you would like to your hotel where the rest of the evening you will be on your own.

He will spend some time over lunch answering all our questions about Iceland & what it is like to live there. Then head back to Reykjavik to enjoy a last dinner on your own with the group.
